Dear Recruitment Manager,

**RE: Application for the Position of Summer Intern at ByrneWallace**

I am writing to express my interest in securing a summer internship with ByrneWallace LLP, a top-tier commercial law firm in Ireland, and to share my passion for intellectual property and data protection. As an LLM student at Trinity College Dublin, I have developed a deep understanding of the complexities of Irish law and have developed a keen interest in the areas of Intellectual Property and Data Protection.

I am excited to bring my academic experience to the legal industry and gain practical experience that will help me to apply my knowledge in a real-world setting. Through my previous work experiences, I have honed my skills in conducting legal research, drafting and negotiating commercial agreements, and preparing legal opinions, and I have done so with a high level of accuracy and attention to detail. My ability to interact with clients has sharpened my communication skills, negotiation skills, and situational adaptability, all of which will be valuable assets in a legal environment, particularly in the areas of intellectual property and data protection.

At ByrneWallace, I am drawn to the firm's reputation for providing world-class legal and business advisory services. The firm's multi-disciplinary expertise in corporate, data protection, tax, banking and finance, litigation, property, and employment law, supported by its Chambers Europe and Legal 500 rankings, make it an ideal place for me to develop my career. Additionally, the firm's culture of inclusivity and diversity of thought, demonstrated by its employment of individuals from various cultural, racial, and ethnic backgrounds, aligns with my values and makes ByrneWallace a particularly attractive firm to work with.

I am confident that my strong research and analytical skills, coupled with my passion for intellectual property and data protection, make me an ideal candidate for this internship. I am eager to contribute my skills and experience to the ByrneWallace team and learn from the firm's knowledgeable and experienced attorneys.

Thank you for considering my application. I have attached my resume and would be happy to provide additional information or references upon request. I look forward to the opportunity to discuss my application with you.

Sincerely,  
Akintunde Idowu
