Byrne Wallace LLP - Hiring Manager
88 Harcourt St, Saint Kevin's,
Dublin 2, D02 DK18

Dear Byrne Wallace LLP - Hiring Manager

88 Harcourt St, Saint Kevin's,

Dublin 2, D02 DK18:

I am writing to express my strong interest in the summer internship opportunity at Byrne Wallace LLP, a firm that I admire for its innovative and insightful approach to the law.

As I approach the completion of my full-time LLB at Technological University Dublin, I am eager to bring my passion for law and dedication to a dynamic firm like Byrne Wallace.

Throughout my entire degree, I have maintained full-time employment, while holding positions in TU Dublin Law Society and FLAC Society, as Public Relations Officer of FLAC in 2022, I then went on to proudly assume the position of Chairperson of the Law Society 2023/2024, displaying a strong commitment to balancing academic pursuits with professional responsibilities, and a passion for the law. In addition, I have actively participated in Moot Court and Mock Trial competitions, multiple per academic year, notably the final of the Karen Kenny Memorial Moot in both 2022 and 2023, and the final of the Inter-varsity Law Summit Mock trial in 2023, and in 2024 where I won the competition, and was awarded Best Speaker 2024. This demonstrates my resilience, work ethic, and drive. Balancing my job, degree, society responsibilities and extra-curricular activities is a testament to the fact that I possess exceptional time management skills and thrive in high-pressure environments.

I am particularly drawn to Byrne Wallace's emphasis on embracing technology to enhance service delivery, fostering collaboration among legal professionals, and providing comprehensive and tailored advice across all areas of the law. Moreover, the firm's global reach and connections to firms worldwide offers an unparalleled opportunity to work on diverse and complex legal matters while making a meaningful impact on a global scale.

Thank you for considering my application. I look forward to the possibility of discussing how my skills and experiences align with Byrne Wallace in more detail.

Kind regards,

Amy Murray
