COVER LETTER

January 2024

| Byrne Wallace |

To whom it may concern,

I am a final year 'Business and Law' student graduating in 2024 with an expected 2:1, with hopes upon graduation to begin a Solicitor traineeship.

I am anxious to start building upon a broad range of practical legal skills from an early stage in my career. Thus, I have applied myself in legal working environments while I am still undertaking my degree.

I have a great drive to pursue a career in law after deciding that it aligns with my values and what I want to achieve in a career. My experience in a law firm and my time observing cases play out in court ignited my drive even more. Furthermore, I believe, in a firm such as Byrne Wallace with its wide range of practice areas from commercial law to Child care Law, it will allow me to apply my skills and knowledge acquired in my Business and Law degree to their full combined potential while also furthering my scope of knowledge to new realms. Byrne Wallace has always been at the forefront of my mind throughout my degree. I truly appreciate the high degree of reputation which Byrne Wallace holds among Ireland's legal firms. I hold myself to a high standard and thus am in pursuit of aligning myself with the successful reputation to which Byrne Wallace itself holds as a firm.

I am confident that I possess the necessary skills and enthusiasm to apply myself in the Byrne Wallace Internship programme. I feel that I would be most proficient in the completion of the required tasks, with the hopes of furthering myself into the role of a trainee Solicitor. I am trustworthy, reliable and take great pride in everything I do. I am a confident team-player who works conscientiously with meticulous attention to detail.

I would truly appreciate the opportunity to discuss my CV in further detail with you at your convenience in reference to any available opportunities. I am happy to provide any additional information as necessary. Additionally, references can be provided upon request. I am available by both phone and e-mail. Thank you for your time and consideration. I look forward to hearing from you,

Aoife Joyce.
