Ciara Loftus

HR Manager

ByrneWallace LLP.

88 Harcourt Street,

Saint Kevin's, Dublin 2,

Dear Ms. Ciara Loftus,

I hope this cover letter finds you well. I am excited to make an application for ByrneWallace's Summer Internship Programme in 2023.

I am a highly disciplined and ambitious second year BCL student at DCU who shares a love for the corporate world. I possess exceptional legal advocacy skills and occupy many interpersonal skills to unite my extroverted and nuanced personality. My human qualities in tandem with my professional experience offer a great contribution to any team.

It would be an honour to be considered for a place on the programme. ByrneWallace has been the recipient of an abundance of awards in recognition of its solidification as one of Ireland's most forward-thinking and client-orientated law firms, being the only top ten firm in Ireland to attain a Lexcel accreditation. The firm employs some of the most talented specialists in the industry which would donate the opportunity for an intern to share the legal stage and contribute to high-profile work. However, I am attracted to the firm's investment into its employees to maximise their potential and promote personal and professional development.

While I understand I am at a very early stage in my legal career and the programme is directed at graduates, I thank you for all your valuable time in considering my application.

Yours sincerely,

Dylan Byas
