Dear Ciara,

I am writing to express my interest in the Summer Internship Programme at ByrneWallace LLP, as advertised on your website. As a final year undergraduate student with a strong academic record, a passion for law, and a diverse range of work experiences, I believe I would be an excellent fit for this opportunity.

ByrneWallace LLP's reputation as one of Ireland's largest law firms and its commitment to providing interns with high-value work aligns perfectly with my career aspirations. I am particularly drawn to the firm's dedication to cultural and linguistic diversity, which resonates with my own background as a native Gaeilge speaker from Connemara.

My previous roles, including my position as a Residential Assistant at The Westwood Student Accommodation and as a General Operator at Viatris, have equipped me with a broad skill set. These experiences have honed my conflict resolution, communication, attention to detail, and teamwork skills, all of which I believe would be beneficial in a legal setting.

In addition, my role as a committee leader at school to enhance Irish speaking demonstrates my leadership abilities and commitment to promoting the Irish language and culture. My background in retail and factory work has also provided me with a unique perspective that I believe could be beneficial to ByrneWallace LLP.

I am excited about the prospect of working within one of ByrneWallace LLP's core practice areas and gaining first-hand experience of the role and responsibilities of a trainee solicitor. I am confident that this internship would provide an excellent platform for me to further develop my legal skills and knowledge.

Thank you for considering my application. I look forward to the possibility of contributing to ByrneWallace LLP and am eager to further discuss how my

background and skills would make me a strong fit for your Summer Internship Programme.

Sincerely,

Eabha Nee
