Byrne Wallace LLP

RE: Intern Position

Dear Hiring Manager,

I am applying for a position at Byrne & Wallace LLP because your mission and vision align with my values and I admire your pragmatic and progressive approach towards developing client-based solutions. As you'll see from my Curriculum Vitae, what motivates me is working for organizations, like yours, that serve to ensure the clients interests are at the forefront of priority. I would love to bring my skills and experience to support your workplace.

My unique combination of education, skills and work experience has allowed me to develop my strengths in legal research, navigating diverse environments and utilizing innovative technologies. Because of my varied background, I am a resourceful and a creative problem solver. I can always find multiple solutions to even the most complex problems.

Please take a look at my enclosed curriculum vitae for more details about my work experience and qualifications. It would be my pleasure to speak with you more about the position, and I look forward to hearing from you soon.

Sincerely,  
Erin Grealis
