Dear Sir/Madam,

I would like to apply for the 2022 Summer Internship position at Byrne Wallace in Dublin.

As a Civil Law student at Dublin City University (DCU), I would love the opportunity to apply my learned knowledge and expand my understanding of the law, and in particular, get hands-on experience in a leading Irish law firm like Byrne Wallace.

I understand that for a role like this you are looking for someone who is motivated, ambitious and can work well as part of a team. Studying law at DCU, and maintaining a part time job throughout my studies, has allowed me to develop strong communication and problem solving skills which I believe are necessary for this role.

In my recent internship role I have also worked across a variety of teams, gaining invaluable experience as a Junior Company Secretary Administrator at Company Bureau Formations, and ultimately being exposed to company formation law and compliance requirements within the state. This has sparked my interest in corporate and commercial law, and I am hoping to further add to and broaden my legal experience, in a family and criminal law firm which is why I was drawn to the Internship opportunity at Byrne Wallace.

I have enclosed a copy of my curriculum vitae and I thank you in advance for your time and consideration. Should you require any further information please don't hesitate to contact me.

Kind regards,

Georgia McGonigle
