

Dear Hiring Manager,

I am currently enrolled as a student in the University of Limerick for Master of Laws and completed my LLB from the University of London. Before coming to Ireland, I had been working as an Associate with one of the oldest Law Firms of Pakistan, Surrige & Beecheno. During this period, I have worked on different projects and advised local as well as international clients from corporate, Tax, Professional Negligence and Civil matters to Admiralty and Aviation.

I have also been part of the team to act as a local counsel for Irish entities namely SMBC Aviation, AerCap, SES and Law Firms such as McCann FitzGerald LLP. I am also a licensed Advocate to appear before the courts of Pakistan. The fact that I have completed my LLB from the UK, I intend to apply for SQE exemption to Solicitor Regulatory Authority of England and Wales. I am hopeful to receive a positive response which would eventually allow me to practice as a Solicitor in Ireland after giving the transfer test.

I have experience with a wide range of legal tasks, including preparing legal documents, managing case files and conducting legal research. Most importantly, I have the necessary skills required in legal profession. I am patient, efficient, detail-oriented, and I always work to ensure that all tasks are completed accurately within given time. I am confident that I can be a valuable asset to your firm.

I am currently looking for opportunities within Legal Industry to gain local experience which would help me in the future.

I look forward to meeting and discuss my qualifications in further detail.

Please find attached herewith my CV for your review.

Regards,

Hassan Khalid
