Dear Byrne Wallace LLP Hiring Team,

I am writing to express my interest in the ByrneWallace LLP Summer Internship Programme. As a dedicated law student with a passion for Intellectual Property Law and Property/Real Estate, I am excited about the prospect of contributing to your law firm and gaining valuable insights into the world of commercial law.

I am currently pursuing a Bachelor of Civil Law degree at Maynooth University where I hold a high 2: 1 and hope to graduate with a 1: 1. I have consistently demonstrated academic excellence and an interest in the areas of law that align with ByrneWallace LLP's core practice areas. My academic journey has equipped me with a strong foundation in legal principles and a desire to apply theoretical knowledge to real-world scenarios.

I am particularly drawn to the ByrneWallace LLP Internship Programme because of its commitment to providing interns with a holistic experience in a full-service commercial law firm. It is a great opportunity to work alongside seasoned legal practitioners and gain exposure to diverse legal and business issues. The emphasis on a tailored learning programme for interns reflects the firm's dedication to nurturing the professional growth of its participants, a prospect that I find both exciting and invaluable.

My internship experience as a Compliance Intern at Comgest, along with various roles in legal and administrative capacities, has equipped me with practical skills in handling day-to-day administrative tasks, collaborating with cross-functional teams, and preparing documentation for various legal processes. These experiences have instilled in me the importance of attention to detail, effective communication, and the ability to work in a dynamic legal environment.

Moreover, I am excited about the prospect of contributing to ByrneWallace LLP's sports and social activities. As someone who values collaboration and a positive work culture, I believe that active involvement in such activities fosters a sense of camaraderie and teamwork crucial for a thriving professional environment.

In conclusion, I am eager to bring my passion for law, dedication to continuous learning, and a proactive approach to the ByrneWallace LLP Internship Programme. I am confident that my academic background, practical experience, and genuine enthusiasm for your firm's core practice areas make me a strong candidate for this internship opportunity.

Thank you for considering my application. I look forward to the possibility of gaining valuable experience through your internship programme.

Sincerely,

Leah Gleeson
