Dear Sir or Madam,

My name is Louis Healy, and I am a second year Law Student in the International Programme in University College Cork. I was first notified of this internship's existence via word of mouth.

To represent ByrneWallace would be an honor, and a privilege that I believe will only benefit me for the rest of my working career. I have heard all about the wonderful ethos present in the workplace and I desire only to add to such an environment.

I believe that I possess multiple leadership and personable qualities, proof of which you will find in my resume, that will be invaluable to the company. Having been both the manager, as well as a player, of countless teams, I believe that I possess the appropriate qualities that will truly and utterly contribute to the continued success of this company.

To be part of ByrneWallace would be incredible, and something I have only dreamt of.

Should there be anything I can do to help, please do not hesitate to contact me with the above information.

Kindest Regards,

Louis Healy.
