INTERNSHIP PROGRAMME

To whom it may concern,

I am writing to express my interest in the summer internship programme with your law firm. I learned about your internship programme in University College Cork's Career Services website.

Currently studying a LLM in International Human Rights Law and Public Policy at University College Cork, I am an Ecuadorian attorney who graduated as Summa Cum Laude at Universidad Católica Santiago de Guayaquil in 2022.

I have worked in an Ecuadorian law firm for 5 years, first as a Legal Assistant and later, after my graduation, as a Junior Associate. I have intervened in numerous cases in different areas, such as civil, corporate, family, constitutional and labour law, as well as children's rights. I have also worked in judicial and extrajudicial processes, written actions of protection, succession, and divorce lawsuits. In addition, I have also written wills, purchase agreements, lease agreements, and the creation, liquidation, and dissolution of companies.

I am interested in this internship, as I believe it will help my legal career and I will bring new perspectives to your law firm, considering I come from a civil law background.

Sincerely,

Pilar Hunter
