Dear Sir/Ma'am,

Re: Application for Summer Internship Programme at Byrne Wallace LLP

I am writing to express my keen interest in applying for the Summer Internship Programme offered by Byrne Wallace LLP. Currently, I am pursuing an LLM at Trinity College Dublin, specializing in International and European Business Law.

My academic background and professional experiences have equipped me with the skills and knowledge essential to excel in a commercial law firm. With a strong passion for corporate law, I specialized in this field during my undergraduate studies. Additionally, my legal education was complemented by an internship with Advocate Saikat Sarkar at the Supreme Court of India, which further solidified my desire to contribute to the dynamic world of commercial law.

Following the completion of my bachelor's degree, I gained invaluable experience working at the Calcutta High Court for 8 months. Under the mentorship of senior advocates, I learned how to summarize cases, prepare case briefs, find precedents, and present oral arguments. Moreover, my tenure at SRA Law Chambers provided me with valuable insights into trial advocacy and procedural laws. I honed my legal research and analysis skills while preparing various legal documents and contracts, and developed strong communication skills through presenting arguments before the court.

To further my aspiration of becoming a commercial lawyer, I decided to pursue a masters in Ireland. I was awarded a scholarship from Trinity College Dublin, enabling me to pursue my dream of studying and working in Ireland. I have maintained a keen interest in subjects such as Corporate Governance, Business Taxation, and International Commercial Arbitration, securing a grade of 2:1 in my first semester.

Joining Byrne Wallace would be a dream come true for me as it aligns perfectly with my goal of becoming a solicitor in Ireland. Upon completing my master's education, I plan on appearing for the FE1 exams. I am convinced that working at your esteemed firm will challenge me to become a better legal professional, and I am confident that my strong foundation in diverse areas of law will allow me to contribute effectively to the firm's work in a progressive manner.

Thank you for considering my application. I am eager to bring my skills and enthusiasm to Byrne Wallace LLP and contribute to the firm's success.

Yours Sincerely,

Megha Jaiswal
