To whom it may concern,

I would like to apply for a summer internship at Byrne Wallace commencing June 2023. I am a first year law student at UCC and I am enthusiastic to have the opportunity to work in a prestigious law firm in Dublin.

Having grown up in a family business; surrounded by the ebb and flow that occurs in a commercial environment, I believe it will be invaluable to my career progression to see how the law is applied in a commercial practice.

I would greatly appreciate the experience to intern at Byrne Wallace as it has a diverse expertise in many different branches of law. As a first year student, I remain open-minded to all aspects of the law and I believe this position will give me greater insight into my future career choices.

Thank you for your consideration.

Yours sincerely,
