Dear Sirs,

I am writing to you to express my interest in the ByrneWallace Summer Internship Programme 2023.

I am a Masters in Common Law graduate and currently working full-time as a legal secretary in Benville Robinson LLP, a busy local firm in Bray, Co. Wicklow, in both the Litigation and Conveyancing departments, while I pursue the FE-1 exams. I have been in my current role for almost a year, and have gained considerable insight into what areas of practice most interest me as I build the landscape of my future career.

Litigation, and Commercial Litigation in particular, I have realised from my current role, is an area in which I would like to practice as a Solicitor. ByrneWallace's Litigation department is a practice of exceptional variety and the exposure to that practice would be of singular benefit to a future Solicitor.

I am a highly organised, dependable and self-motivated worker and as a candidate with both academic and practical experience of law, I think that I would be a valuable addition to the intake of Summer interns at ByrneWallace for 2023.

I thank you for your consideration of my application in this regard.

Yours sincerely,

Rebecca Barnes
