Dear Hiring Manager,

I am writing to express my strong interest in the legal internship position at your esteemed company. I believe that my academic background and practical experience make me a suitable candidate for this role.

My name is Shayiba Yalikun, and I am currently pursuing an LLM in Intellectual Property and Information Technology Law at Trinity College Dublin. I am proud to announce that my grades in the last semester were consistently above 60, demonstrating my passion for the field of law and a solid academic foundation.

During my undergraduate studies, I interned at Beijing Chance Bridge Law Firm, where I was responsible for consolidating legal regulations and drafting legal documents. This experience not only enhanced my legal knowledge but also developed my problem-solving and analytical skills. Additionally, I participated in an online internship arranged by my undergraduate institution at PKULAW.Com, a legal tech company. There, I handled data annotation tasks and successfully crafted a business plan for a legal tech product, showcasing my practical skills and business insight. My practical experiences extend beyond the legal field. I have provided English tutoring services for students and earned income through video editing. These experiences have honed my communication skills, adaptability, and creativity, equipping me with a well-rounded skill set for success in the legal arena.

I am eager to learn within your professional team and contribute to its success with my knowledge, skills, and experiences. I look forward to discussing my application further with you and elaborating on how I can positively contribute to the legal internship position at ByrneWallace LLP. I am available for an interview at your earliest convenience and appreciate your consideration of my application.

Thank you for taking the time to consider my application. I am excited about the prospect of contributing positively to your company.

Sincerely,  
Shayiba Yalikun
