

*Dear Ms Byrne*

I am writing this motivation letter for I would like to apply for the position of intern. I will complete my 4 years law education this summer in Kocaeli University. (3.2 GPA) I completed an summer internship 2 years ago. I learned legal research and writing. My professional qualifications appear to be well suited to your company's requirements. My interest in my profession started when I was in high school. Since those years, I felt to need to constantly update my information.

My career goal is going to be a judge in European Human Rights Court. This internship will be crucial for improve my skills about universal law. As you can see from my enclosed resume, my experience and qualifications match with this position's requirements.

I am planning join an Erasmus project so if you accept this application I will take a chance. It will be in 2024-2025 Summer. I plan to get a grant. Therefore I do not need any fee. If I talk a little bit about myself, I am a person who likes to work hard and adaptable. I used to play softball in high school. I like to play the violin.

Thank you very much for taking the time and reviewing my application documents. If you require any further information, feel free to contact me. I would be most grateful if you would look into this matter as soon as possible.

Yours sincerely,
