PROFESSIONAL SUMMARY

I am a second year BCL student in Dublin City University with a 2:1. I am a motivated, concise, organised, social and above all very diligent worker- I owe this to the jobs I have had whilst studying. I enjoy getting as involved with work as I can and find it extremely rewarding to have completed a job well done. I have a keen interest in both property and company law and am always keeping up to date with articles on both topics. I am an active member of both DCU's ELSA and Law Society. Some of my hobbies include playing golf, tennis, and trying new coffee shops with my friends.
