

EDUCATION

- **BA (Joint Hons) Philosophy & Mathematics (1st Predicted)** | Trinity College Dublin | 2020–2024
THESIS TITLE: On the Apprehension of Nihilism
 - Studying the complementary disciplines of philosophy and mathematics; both abstract and theoretical fields in their own right, requiring skills of conceptual intuition, deductive reasoning, and rigorous argumentation.
 - Experienced in essay-writing, oration and argumentation, exploring areas such as metaethics, ontology, hermeneutics, dialectics, formal logic, metaphysics and epistemology.
 - Acquired skills in numerical analysis and spatial reasoning, covering topics in calculus, linear algebra, number theory, geometry, complex analysis, topology, and Galois theory.
- **Theoretical Physics / Single Honours Mathematics** | Trinity College Dublin | 2013–2018
 - 4 years of coursework completed in the above subjects.
- **Leaving Certificate (595 Points)** | Presentation College Bray | 2008–2013
