---

## Work Experience

### Legal and Operations Intern | September 2022 - November 2023

*Oblivious, Dublin* (References available upon request)

- Successfully brought on 325 participants from 35 countries for the inaugural Privacy-Enhancing Technologies (PETs) Hackathon in collaboration with the United Nations PET Lab in November 2022.
- Authored and published eight op-eds on current privacy-tech topics, including insights on the EU's Digital Service Act, Worldcoin, and power dynamics in Big Tech affecting informed consent.
- Managed a budget of €150,000 for the Eyes-Off Data Summit 2023 in July 2023.
- Coordinated with officials from the IAPP, United Nations, WHO, Mastercard, Google, the Royal Society, and more for the Summit.
- Managed all logistics for speakers and panellists, overseeing flight bookings, accommodation, and transportation.
- Was the main point of contact with CT Ireland during the Summit and EPIC (The Irish Emigration Museum) for the venue.

### Legal Aid and Marketing | August 2021 - January 2022

*Shop With Nidhi (SWN) - Bangalore, India* (Sustainable Fashion Startup in India)

- Drafted five employment contracts for new employees.
- Revised and updated T&Cs and Refunds and returns policies on the official SWN website.

## Legal Intern I July 2020 - August 2020

*Samvad Partners - Bangalore, India* (Leading Law Firm in India)

- Worked closely with associates and frequently researched various acts and amendments to the Provincial Insolvency Act of 2020, the doctrine of privity of contract, and the rights and obligations of a director and shareholders in a company.
- Researched (i) the provisions for takeover of unlisted companies and (ii) telemedicine guidelines for associates.

## Marketing Assistant I May 2019 - June 2019

*CORE - Bangalore, India* (Sustainable Fashion Agency in India)

- Assisted in organising a live event at a modern venue to promote the brand's sustainable fashion line.
- Frequently participated in meetings with clients and helped cultivate strong business relationships.

## Intern I July 2018 - August 2018

*TAICT - Bangalore, India* (Environmental NGO in India)

- Engaged primarily with market research and analysis for the ECO Gram Project dedicated to creating a more sustainable environment in Bangalore, India.

---

## Achievements

- Founder of successful Instagram blog *Stories of Strangers*, inspired by *Humans of New York*.
- Copyeditor at Trinity College Dublin's *The Eagle Gazette*, demonstrating attention to detail in editing and proofreading.
- Recognised as an author of a research report on Disability Rights published by *Trinity FLAC*.
- Helped raise funds of €27,942 for Daily Wage Workers in India during the peak of Covid-19.
- Completed the Grade 6 *Trinity Speech and Drama* examinations with a distinction (90).

---

## Recent Publications

- My op-ed on the [Privacy-Enhancing Technology \(PETs\) Research Act](#) - reposted and shared by policy advisers from The Royal Society.
- My op-ed on [EU's Digital Services Act and its impact on children's right to privacy](#).
- My op-ed titled '[Thinking Outside the Checkbox](#)' and how we can achieve meaningful Informed consent.
- My op-ed on the [privacy implications of Worldcoin's controversial iris-scanning technology](#).
