WORK EXPERIENCE

Feb 2023 - Aug 2023	Business Development Administrator, {type}DEV <p>At this software development company, I joined the business development department. My responsibilities included, actively driving business growth, overseeing and coordinating outsourcing agreements with clients from various sectors, and fostering positive and productive client relationships. My duties also extended to conducting comprehensive searches and interviewing potential candidates to ensure the right fit to our clients' staffing needs. I consistently delved into comprehending the unique intricacies of each client's corporate culture and the specific attributes sought in prospective candidates, all while actively contributing to the growth and success of the company.</p>
March 2021 - Oct 2022	Healthcare Interviewer, Elzeth Jacobs Occupational Therapist Inc <p>In this role, I worked part-time as an interviewer at an occupational therapist's medico legal practice. This practice primarily dealt with third-party claims. My responsibilities included, conducting interviews with claimants regarding their background, medical history and the impact of injuries on their daily activities/lives. Beyond honing my interviewing skills, I developed the ability to adapt my approach to become a more effective interviewer, recognising and accommodating individual differences. This experience provided me with valuable insights into the broader scope of the legal profession's role in effecting positive change and enhancing individuals' lives.</p>
