VOLUNTARY WORK

Royal Hospital Donnybrook: 2016

- Weekly 3 hour shift spending time with the residents at the hospital.
- Took residents for walks, participated in activities such as board games and art class.

The Irish Pilgrimage Trust, Group helper: 2013 & 2014

- Liaised with local community organisations and businesses to solicit sponsorships/donations for fundraising initiatives.
- Personally raised €1,200 through a table quiz I organised.
- Coordination and supervision of 11 young adults with special needs on a week-long pilgrimage in Lourdes, France.

Other Voluntary Roles:

- Volunteered and participated in events for Breast Cancer Foundation, ISPCC, and GOAL.
- Head of SVP volunteer committee in transition year. Organised an awareness day for the entire school and coordinated the preparation of hampers for families at Christmas.

SKILLS PROFILE

Communication

- Experience as a clinic and research liaison involving the translation of ideas, targets, and goals to team members.
- Established manuscript writing skills as evident by grant applications and abstract submissions.
- Excellent presentation skills developed through presentations at various team meetings, charity fundraising events and committees.

Team Work

- Extensive teamwork skills developed through, working with fellow volunteers in Lourdes, serving in a restaurant, group projects and committees in school and university, and through playing team sports in school.

Problem Solving

- Experienced in solving interdisciplinary related problems quickly and efficiently, as a result of working closely with fellow volunteers in the Irish Pilgrimage Trust, and working with a multi-disciplinary teams.
- As a member of the Debs committee throughout 2014, and as chair of the SVP committee 2012, I faced many opportunities and challenges in dealing with financing, communicating, organising, following up on emails, and cash handling.

Time Management

- Developed excellent time management skills through simultaneously working on numerous projects at university and through my role as administrative assistant in Tallaght Hospital.
- Successfully able to balance time between studies and other commitments throughout my education both at school and in University.
