Employment and Work Experience

Brazil Associates (2015-present)

- My main role is drafting letters and other communications, I improved my ability to communicate effectively with clients.
- I have also aided in preparing Planning Applications, as well as aiding in the preparation of Planning Appeals.
- I have been able to apply my legal knowledge to locate clauses in a standard contract for building contractors.

Damien Tansey Solicitors (June 2019)

- I attended meetings alongside solicitors and clients.
- I applied legal knowledge, especially tort, I learnt in UCD to real world situations.
- I prepared attendances, summaries of the facts, and I drafted letters to be sent to experts.
- I assisted in sorting through medical records and organising them for medical experts, this required great attention to detail and great organisation.
- I completed a number of tasks simultaneously and ensured that everything was completed on time.

SMBC Aviation Capital (June 2018)

- I sat in the Contract Negotiation Team.
- I met with people from the various departments, in order to learn about aircraft financing, I increased my commercial awareness.
- I created checklists that were required to complete individual deals.
- I assisted in organising files to comply with GDPR.

UCD School of Law Corporate Law Trip to London 2017

- I got my place on this trip through an application process.
- I visited and took part in workshops in the offices of Clifford Chance, Clyde and Co., Herbert Smith Freehills, Freshfields, Dentons, DLA Piper and Slaughter and May.
- I was awarded a certificate for completing the programme.

Achievements and Interests

- I passed all 8 FE1s between October 2019 and August 2020.
