An ambitious, enthusiastic and committed LLB, MA and BA graduate with six FE-1s and experience working in Defence Litigation as a Legal Executive in Kennedys' Dublin office who have one of the largest dedicated insurance practices in Ireland. I possess a genuine interest and understanding of a wide range of practice areas including Corporate, Medical, Tort, Administrative, Evidence, Child, Property, Company, EU, Criminal, Constitutional, Trusts, and Contract Law. I also have valuable experience in personal injuries claims having worked for a top healthcare and liability team in a Dublin law firm.

Keen to source a challenging role in the legal sector which will offer a broad range of responsibilities, a progressive career path and the opportunity to maximise my potential.
