ACHIEVEMENTS

- In my role at La Cucina, I have designed and implemented a new reward system which has significantly improved productivity of staff and thus sales by over 25% over a 3 month period, whilst significantly increasing staff motivation and commitment levels, this is an example of my ability to work in an innovative manner.
- Since joining the team, we have also climbed to number 1 on TripAdvisor.
- Through dedicated online presence development, Creative Design Group achieved 2nd position on Google for Creative Design Group for the industry's highest search term "Architects Ireland".
- Main capabilities according to Clifton's test include
 - Adaptability
 - Analytical
 - Futuristic
 - Strategic
 - Achiever
 - Discipline
