EDUCATION

Junior Certificate St. Joseph's Secondary School, Rochfortbridge

I received ten A grades, in Maths, English, Irish, German, Business, Music, Geography, History, CSPE and Science.

Leaving Certificate St. Joseph's Secondary School, Rochfortbridge

I received 589 points, including H1s in German, Chemistry and English. In each of my five other subjects I earned a H2.

University Trinity College Dublin

I studied Law and Political Science, earning a first-class honours grade.

EXPERIENCE

Sports Reporter SBNation (June 2015 - March 2020)

I was a reporter on professional cycling for an American firm, taking a leadership role in covering such events as the Tour de France. This has improved my ability to work alongside others, along with my communication and writing skills. All work took place remotely, which helped me adjust to remote learning in 2020.

Cashier/Sales Assistant Bookstation Henry St, Dublin 1 (July 2019 - June 2020)

In this role I worked at the cash register, kept the shop in order and was trusted to count and deposit cash at the end of the day. Working in a high street store while also studying a full-time degree helped develop my work ethic as I had to cope with the demands of this busy schedule.

Cashier/Sales Assistant Swatch Grafton St, Dublin 2 (August - December 2020)

In this job I built on what I learned from my previous employers while dealing with the challenges thrown up by Covid-19. Working in a new job and engaging with the public during the pandemic was a learning experience which will help me deal with adversity in future.

Representative Trinity College Alumni Appeal (May - June 2019, February - May 2022)

I worked in the 2019 TCD Alumni phone campaign to secure donations for Trinity College. This role helped me learn to speak to potential customers, clients or donors in a professional manner. I enjoyed the role, so when given the chance to work on the campaign again, I gratefully accepted.

Management Consultant Deloitte (September 2022 - present)

I currently work as a management consultant for Deloitte, focusing at present on Benefits Realisation Management for a major public sector client. I began this role last year and have earned one promotion. In this role I have worked on important deliverables to excellent client feedback, worked as part of a large team, managed important client stakeholders and supported in developing future strategy.

SKILLS

- Communication
- Writing
- German-speaking
- Teamwork
- Attention to detail
- Microsoft Office
- Self-starting
- Hardworking
- Quick learning
