- Filing and organising accounts
- Scheduling and coordinating meetings, interviews and events for senior staff.
- Assisting in various daily operations.

EXTRA-CIRRICULAR ACTIVITIES

My favourite sport is Gaelic football. I used to play for my local Gaelic team, however I stopped playing in order to focus on college. I still casually enjoy kicking a ball about a pitch with my brother as it is a great relaxant for me.

I also practice kickboxing and karate. I have successfully obtained a black belt grade in both and have won numerous world championships during my years of competing in competitions.

Presently, I practice this sport weekly in order to keep fit and I also teach children at my club's summer camp.

I am actively involved in volunteering for the charity St Vincent De Paul. I volunteer weekly in their charity shop in Maynooth, serving customers and sorting donations that are given into the shop.

It is largely acknowledged that access to free law aid is of great importance in preventing people of limited means from injustice. Due to this, I am also a member of Maynooth University's Free Legal Advice Centre (FLAC) Society and the Law Society. FLAC offers legal clinics for people in order to enable them to have fair access to legal advice and it delivers a comprehensible mechanism to help them vindicate their rights.

ACHIEVEMENTS/AWARDS

I have obtained a Gaisce Bronze Award – the President's Award.

I have obtained numerous academic awards in secondary school including highest result in the Leaving Certificate for the subject of geography and an academic award for the points obtained in my Leaving Certificate.

As mentioned previously I am a black belt in karate and kickboxing, of which I am a world champion in both.
