Stagehand

In this position it was my role to look after young children, by keeping them calm and assisting with any problems they had. I also ensured that the stage and theatre were set for the forthcoming show.

Achievements:

- I took part in an advertisement for UNICEF, which promoted the donation of money and effort to the developing world.
- I was awarded actor of the year and Mr. Congeniality, for two years running in my highly competitive drama group.

Hobbies & Interests:

I enjoy frequent reading, while also keeping an active social life and remaining up to date with my studies. I am also an avid movie watcher and frequent theatre goer. In my spare time I also enjoy practicing my creative writing and a daily Sudoku to keep my creative and analytical juices flowing.
