### EXPERIENCE

#### Legal Intern, Nolan Farrell & Goff Solicitors

*(June – July 2023)*

I was an intern for five weeks in one of the largest firms in the southeast. During my time, my main role was to retire files, however I had a high level of exposure to daily office life, helping out in filing, reception and scanning as well. I also had the opportunity to attend various litigation matters in the circuit court and high court. The main areas of law that I gained insight to were litigation, conveyancing, probate, family law and employment law.

#### Legal Intern, HD Keane Solicitors

*(May – June 2023)*

I worked as a legal intern for four weeks in a highly-rated firm in Waterford. My experience included sitting in on client meetings, helping to identify files for archiving, filing and working at reception. I observed daily office life in a highly regarded general practice firm with experienced solicitors in different areas, mainly in conveyancing, probate, personal injury and family law. I also had the opportunity to attend the Waterford Courthouse.

## **Hockey coach, Pembroke wanderers Hockey Club & Our Ladies Grove School**

*(September 2020 - present)*

For the past three years, I have taken many hockey coaching roles at both club and school level. I have coached successful teams from Pembroke Wanderers Hockey Club, most notably achieving a silver medal in the u16 Leinster Cup Final, the first time in over a decade that the team has reached that stage. In addition to the club side, I coach and umpire in Our Ladies Grove School in Goatstown, helping out with all of the teams and age groups from first years to seniors.

## **Customer Service Rep, Testreach – Online Examination Adjudication Company**

*(July – September 2020)*

I was a member of the customer support team in Testreach, where my main tasks were to assist customers who had questions about their exam or the online examination process through phone calls and emails.

## **Primary School Assistant, Newtown Junior School, Waterford**

*(2018)*

In my Transition Year in secondary school, I undertook two weeks of work experience in the primary school equivalent to the school I was attending.
