Experience

Life Style Sports, Dublin, October 2015 – Present

Sales Team Member.

I have consistently worked 20 hour weeks during college term time and more during the summer (excepting breaks for internships) at Life Style Sports in Dundrum. This is their highest earning store. My role includes servicing customers through their store journey by providing advice, communicating product knowledge and closing the sale. I have also trained in new staff on our gait analysis and stock storage systems.

PricewaterhouseCoopers, Dublin, June – August 2017

Summer Intern – Deals Advisory.

12 week internship program with PwC. I was rotated through Corporate Finance, Transaction Services and Business Recovery. Whilst on the internship I produced a report on the aircraft leasing industry in Ireland, specifically focusing on M&A activity and possible targets for acquisition. I performed research on the corporate governance structure and funding process for a semi-state. I worked on valuations for a variety of African broadband infrastructure companies and how that corporate structure affected their parent. I also dealt with invoices for properties in receivership which involved correspondence with utility companies and local authorities.

Maples and Calder, Dublin, August 2016

Summer Intern – Property.

Whilst with Maples I prepared a report on the student loan market, sat in on meetings and CPD hours as well completing scheduling for lawyers in the property department.

PricewaterhouseCoopers, Dublin, June – September 2015

Summer Intern - Tax.

16-week internship with the Global HR Services team working on immigration and tax compliance for international clients. I was the youngest intern that summer and the experience gave me invaluable experience with the largest professional services firm in Ireland. I was also asked to mentor a student on work experience.

Sayers Butterworth LLP, London, June – August 2013

Summer Intern - Audit.

I spent my 5th year summer working at this mid-sized accountancy firm in the City. I prepared P11Ds and P60s, formatted end of year reports and calculated VAT for incorporated clients. I was also asked to train a newly hired school leaver on some of our systems.

University

Trinity College Dublin, 2014 – 2018

L.L.B (B.S) in Law and Business

First Year result: 1st, Second Year result 2.1, Third Year result 2.1
