EMPLOYMENT

Hospitality/Retail Team Member at *Compass Group Ltd* (October 2014 - present)

I am Currently working on the Corporate level of the Aviva Stadium as a waiter or bartender. I work as hospitality and bar staff at the Aviva Stadium. My main role is to work at the Bar as a Bartender on corporate level on matchdays. I also work at various other functions and events though as a plate waiter. My job is focused on serving customers and providing them with the best matchday experience possible. We work as a team to make sure everything goes smoothly from the pre-game meal to the clean-up afterwards.

Legal Intern at *German-Irish Chamber of Industry & Commerce* (June – August 2016)

I Completed a Summer internship in the Tax and Legal Department. My main responsibilities were to provide German companies with assistance in fulfilling their legal requirements in setting up in Ireland and meeting their tax liabilities in Ireland. The German-Irish Chamber provides all sorts of functions in a variety of areas across the legal and tax spectrum and has quite a small staff so I was often given projects in very differing areas. I dealt with German client's queries about Inheritance Tax in Ireland and also helped in completing yearly Corporation Tax returns as well as pursuing debtors in our Debt Collection Unit and trying to acquire new clients at events such as the National Construction Summit. Different tasks had to be performed in English and German.
