

KILIAN MCCARTHY

SKILLS

A keen interest in high level sport coupled with the maintenance of university and work obligations has provided me with the skills of time management, team work and self-discipline.

EXPERIENCE

Legal Executive (in-house) | CarTrawler | September 2017 - Present

The World's leading B2B travel technology platform.

My main duties as Legal Executive include;

- completing initial contract drafts for a wide range of general commercial contracts largely with a technology focus;
- reviewing consistency of execution of versions of contracts;
 - supervision and management of legal documentation;
- providing commercial legal support to the Sales and Procurement teams in the negotiations of contracts;
- Registration & protection of the company's trademarks.

Legal Intern (Corporate) | Lemans Solicitors | August 2017

In Lemans Solicitors, I was placed in the Corporate sector, where I attended several seminars by partners on the subjects of Asset Acquisitions, Loan Notes and Fintech.

These seminars were followed by practical exposure to current deals the firm was handling. Such deals included;

- a multinational acquisition of an Irish holding;
- bank merchant contracts;
- IP related transactions for subsidiaries of a top Irish entertainment company.

OBJECTIVE

Passionate about Commercial and Technology Law.

I am a recent LLB & LLM graduate, currently working in a multinational technology company within the legal department.

I am seeking trainee opportunities in a legal context whilst preparing for my FE1 Examinations.
