BUSINESS ACUMEN

I have a strong business acumen. I have undertaken various roles in the family business throughout the wake of the financial crisis, which provided me with familiarity in the areas of promotion, marketing and budget management. The various roles which I have undertaken in the business have tested my adaptability and provided me with good commercial instinct. Other skills which I feel I have acquired throughout the course of employment include, good team working skills, communication skills, an ability to negotiate in difficult situations, and commercial awareness.

INTERESTS & ACTIVITIES

I am a keen sports enthusiast with special interest in swimming, hiking, golfing, rock-climbing and going to the gym.
