Supplementary Information

Achievements

- **Walker Ireland NUIG Golden Medal Award Finalist 2015** - NUIG Law School and Walkers Ireland present an award for students who have achieved the best academic results and demonstrate both commercial and legal knowledge. 2nd place achieved in competition.
- **2012 winner at the BT Young Scientist competition** in the area of “Physical, Mathematical and Chemical Science” with a project entitled “replication of motor function through the use of pressurized air”.
- **President of French Society at NUIG 2013/2014** – Responsible for management of society. Duties include event management, logistics, overview of financing, chairing committee meetings, organizing foreign exchanges and general daily running of society. Society consisted of over 600 student members with 70 – 150 attending events regularly.
- **Bike Leader qualified** – Qualified to coordinate and lead bike tours of up to 30 people throughout Europe.
- **First Aid Qualified**

Extra-curricular interests

- **Fencing (Sport)**– Fencing is an alternative college sport that is both physically and mentally engaging, with core values of honor and respect. I have been chosen to represent the NUIG at inter-varsity competitions and Connacht at inter-provincial level. This is a tremendous personal achievement given the time and effort I have invested in this interest. I am currently training with, and competing alongside Olympic and international fencers on my year abroad in Toulouse, France. My goal is to represent Ireland Fencing internationally.
- **Mountaineering Club** - I joined and participate in the mountaineering club with 3 other law classmates and friends. This team initiative was undertaken with the ultimate goal of preparing to climb Mount Kilimanjaro together as a group, achieving a summit ascent.
