PROFESSIONAL EXPERIENCE

Trainee Solicitor

Guangdong Alpha Law Firm

July 2021 – August 2022

Shenzhen, China

- Drafted an industrial software license contract for clients from China and France with the amount of subject matter of €400,000. Conducted legal research to determine the key ingredients of the license contract and advised on the licensor’s and licensee’s obligations based on the object of transaction.
- Drafted a nominal equity holding contract for clients, including the rights and obligations of each party. Assessed factors that were relevant to each party and suggested dispute resolution procedures.
- Helped handle disputes regarding property preservation errors in litigation. Drafted indictments, helped draft lawyer’s opinions, and applied for damage appraisal. Conducted legal research regarding the duty of reasonable care in the application for property preservation.
- Helped handle a trade secret dispute, obtained non-public appraisal opinions and damage compensation appraisals. Conducted legal research to determine materials required for non-public appraisals.

Legal Intern

People’s Procuratorate of Changchun City, Jilin Province

September 2020 – October 2020

Changchun, China

- Accompanied prosecutor to interrogate criminal suspects. Recorded conversations and reviewed files, including public security bureau documentation and indictment opinions, interrogation records, victim statements, witness testimony, on-site investigation records, and cause-of-death appraisals.
- Reviewed case materials and assessed completeness of chain of evidence.
- Drafted case review report under prosecutor’s guidance.

Legal Intern

Jilin Gong Cheng Law Firm

January 2020 – April 2020

Changchun, China

- Conducted legal research regarding a breach of contract dispute between a property management company and its owners.
- Collected evidence of defects in service and obtained favorable results for clients.

RESEARCH EXPERIENCE

- *The Risk Assessment Report of Takeout on Campus – Taking Northeast Normal University as an Example* (May 2019 – May 2020). Used questionnaires and interviews to identify access standards, management, distribution specifications, and level of supervision of takeout food establishments around campus. Identified risks surrounding the production process and quality of takeout foods and control of food safety, health certification status, and sanitary condition.
- Drafted a proposal to amend the food safety law to stipulate that network platform providers should verify registration materials and licenses and inspect business sites of online catering services.
- Conducted research on legal requirements for restaurant safety.

LEADERSHIP ACTIVITIES

Participant

Gong Cheng Moot Court of Northeast China

November 2020
Changchun, China

- Received **Team Champion Award** (conferred by Jilin University and Jilin Gong Cheng law firm)
- Worked with three other participants to conduct legal research and analyze major legal points.
- Wrote plaintiff's complaint, plaintiff's lawyer's opinion, and evidence catalogue.
- Researched equity transfer under Article 71 of the PRC Company Law.

Team Leader

Hong Kong Business Plan Competition

January 2019
Hong Kong

- Devised a business plan for a new restaurant at the University of Hong Kong, targeting teachers, students, and tourists.
- Led team members in brainstorming, the purchase of raw materials, the creation of a product sample, the production of a commercial, and the final presentation within 48 hours.

VOLUNTEER ACTIVITIES

Assistant Captain

Summer Camp for Left-Behind Children

July 2018, July 2017
Hengyang, China

- Helped coordinate volunteer interview process; selected teaching volunteers from over 100 candidates.
- Conducted volunteer training and division of labor.
- Devised educational activities and taught literature, safety education, and health education.

Volunteer

United States Academic Decathlon China

February 2018
Guangzhou, China

- Helped over 2000 participants complete registration procedures and prepare facilities before the competition.

OTHER SKILLS

- **Languages:** Mandarin (Native), English (Fluent), Japanese (Basic), French (Basic)
