### **STUDENT LEGAL SERVICES • SUB COMMITTEE • 2019 – 2020**

As a sub committee member, I helped in the organization of the Student Legal Convention by setting up ticket sales.

### **ARTS SOCIETY – ARTS DAY CONVENOR • 2018 – 2019**

I organised the societies key event. This involved obtaining sponsorships such as from Lydia a mobile banking app. This enabled us to run competitions and give out great prizes to students.

### **PEER MENTOR • 2016 – 2017 • UNIVERSITY COLLEGE DUBLIN**

This was a voluntary position for the BA orientation department. I attended training for the role to develop leadership and teamwork skills. This was crucial as I was responsible for settling 15 first-year students into University life over the academic year. I organised social events for my mentees, helped answer their concerns about college life and provided a friendly face to grab a tea or coffee with. In this role, I learned how to be an effective communicator and help others.

### **SENIOR ORIENTATION GUIDE • UNIVERSITY COLLEGE DUBLIN**

This was a voluntary leadership role. I participated in a two-day training period before the week-long event commenced. I trained in regular orientation guides on how to give campus tours, answer student queries, and run their particular events across campus. I was responsible for maintaining the different events across the University and to regularly check in on the teams of guides. I also had the duties of running information stands and setting up events like the Presidents welcome which catered to 2'000 people.

## **HOBBIES**

---

I am an avid reader, painter, and writer. My hobbies are a great means to de-stress. I paint acrylic landscapes on canvas, which transfers constructive energy into something which other people appreciate. I hope to participate in my Universities moot competition this semester as I enjoy research and want to further improve my presentation techniques.
