Work History

General Operative | The Institute of Education 2019-2021

- Delegated duties amongst the team to coordinate various functions across the school.
- Developed an understanding of the internal day to day functioning of a business.
- Skills accomplished include communication, prioritisation, organisation, interpersonal skills and dependability.

Work Experience with Barrister at Law | The Four Courts 2021

- I spent four weeks shadowing a Barrister who practices mainly in Civil and Chancery/ Commercial Law. During this time, I sat in on several motions lists. I also watched hearings involving injunctions, Section 212 proceedings, the vacation of a lis pendens and a large commercial property dispute.

Work Experience with Solicitor | Michael J Staines & Co Solicitors 2021

- I undertook two weeks of work experience with this firm that specialise mainly in criminal and judicial review proceedings. As part of this work experience, I attended court, prepared files, interacted and networked with other solicitors in the firm as well as solicitors from the DPP. I also carried out research on the recent developments in CCTV and mobile phone evidence for the firm's practice notes.

Examination Invigilator | State Examinations Commission

2019

- Invigilator for the 2019 Leaving Certificate Examination.
- My duties included collecting and distributing papers, supervision during exams and ensuring examination papers were returned to their base centres after each exam. Skills used include the ability to work in an organised and structured way and to manage large groups of young people.

Private Tutor | College and Leaving Certificate Tutor for Economics

2019

- Delegation of work and explaining key concepts, leading to a 100% pass rate amongst students.
- Skills: Interpersonal and communication skills, delegation, organisation and time management.

Transition Year Experience | Eversheds Sutherland

2015

- I spent one week of work experience in Transition Year with the Head of Real Estate in Eversheds Sutherland. My time there mainly consisted of observing work on a case that involved a data centre, something that appears to be an increasingly common source of litigation in Ireland. The experience proved to be an early indicator for me that I was interested in pursuing a career in law.

Skills and Interests

- Certifications: Bloomberg Market Concepts, Microsoft Office Specialist - Excel, PowerPoint, Word.
- Languages: Conversational proficiency in German, Spanish and Irish.
- I am an active member of UCD Commerce and Economics Society, UCD Investment & Entrepreneurs Society and the UCD Law Society.
- I have a strong interest in current affairs, and I routinely keep abreast of politics, economics and market trends, podcasts and day to day news.
- I am keenly interested in sports and follow a number of teams in rugby, American football and basketball. For a number of years I played competitive Gaelic football with Kilmacud Crokes and I still play soccer regularly.
- In 2019, I created a University Sunday League soccer team and involved friends from both college and my secondary school.
- I am an avid golfer and have been a member of Rosslare Golf Club for a number of years. I play golf both socially and competitively across the country.
- I have volunteered for numerous charities and I am an active volunteer for Saint Vincent De Paul.
