### **Work Experience**

- |                       |  |
|-----------------------|--|
| 2017 August           | <b>Office of the Attorney General of Ireland (Summer Intern):</b> 2 week internship working with Advisory Counsel in the Finance group. I worked with the team on a number of cases and issues, attended meetings and prepared research notes and reports.   |
| 2017 July             | <b>Beauchamps (Summer Intern):</b> 4 week internship in the firm's Corporate Department. I carried out research for my team and assisted in the drafting of contracts for clients. My other tasks included filing forms with the CRO and taking notes during client meetings and conference calls.   |
| 2017 May/June         | <b>Dillon Eustace (Summer Intern):</b> 4 week internship in the Financial Services group. I researched client queries and completed reports for my team. I drafted emails and corresponded directly with clients and other parties. My other duties included filing, presenting a research project to the partners and attending CPD workshops and team meetings.                        |
| 2016 August/September | <b>A&amp;L Goodbody (Summer Intern):</b> 4 week internship in the Banking and Financial Services group assisting with the drafting and editing of legal documents. I prepared research notes for the partner to whom I was assigned which ultimately formed the basis of his advice to clients. I also edited a chapter written by one of the partners for an international publication. |

My other duties included filing, preparing transaction bibles and taking part in intern projects.
