SKILLS PROFILE

Communication Skills: Excellent communication skills developed during my internships on the grounds that the information I found about a case I had to effectively communicate it to my superiors or sometimes to the client.

Organizational Skills: In my internships I had a big amount of work so I learned how to effectively balance multiple demands as well as managing and organizing my time efficiently.

Team work Skills: Skills gained while playing in a football team since I was 10 years old and progressed throughout my work experience, functioning in groups in the law firms.

ICT Skills: Good working knowledge of Microsoft Word, Excel, PowerPoint, E-mail, social networks and Internet.

Language Skills: High level of English (Cambridge Advanced Certificate), Intermediate level of legal English (taken some courses at university and law firms), Intermediate level of French (Delf B1) and Excellent Spanish.
