Lean in Network	https://leanin.org/circles-network/lean-in-network-dublin	In Lean In Circles, women get and give peer mentorship, learn new skills, and have a place to be unapologetically ambitious. More than 80,000 women in 183 countries have started a Circle, and new ones are starting every day. We also just released Lean In Girls, a leadership program to help girls see themselves as leaders in a world that often tells them they're not. At the heart of the program is a curriculum that helps young teens embrace their leadership superpowers and reject stereotypes about what girls can't do.	Various circles we could join in Dublin. Below the most relevant (for individual lawyers to join) (small social groups): - Irish Litigation Lawyers: https://leanin.org/circles/irish-litigation-lawyers - Learn to lean: This circle is for women in Technology, Banking, Healthcare, Insurance, Finance, Hospitality, Social etc who want to adapt, learn and support everyone in the society. https://leanin.org/circles/lean-to-lead-dublin - Women in social enterprise https://leanin.org/circles/women-in-social-enterprise OR start a company led one
