- I completed my secondary education and my Leaving Certificate in the privately educated Kings Hospital School, receiving 419 points in my leaving certificate.

WORK

Administrative officer | Euro Car Parks Ireland | From 2017- Current Day

- My role as an administrative officer in Euro Car Parks is to, operate a till in which monetary transactions occur, to keep company transaction records up to date and to patrol and supervise the premises.

Skills and Achievements

- My greatest passion is in my education, I take my education very seriously and strive for the highest results that can steer my career in the right direction. I am dedicated and possess a very strong work ethic.
- I have a reasonably high level of Spanish fluency, as I have completed Spanish learning courses in Spain, I was also a member of the Kings Hospital School Spanish debating team and took Spanish as a leaving certificate subject.
- During my time in Maynooth University I have been a committee member of the Maynooth University Law society and a committee member of the European Law students Association.
- I have strong interests in sports, having been offered two rugby scholarships in two Irish universities, I have also represented my Province at an under nineteen level.
- I pride myself in having good time management and organizational skills, in which I have developed in the pursuit of my Law degree. These skills have helped me play sports, have a part time job, be a committee member of two societies and tackle the

demands of a full time Law degree, skills which I would deem as sacrosanct in a working environment.
