Re: Trainee Solicitor Programme 2022

Dear Sirs,

I wish to apply for the ByrneWallace LLP Trainee Solicitor Programme 2022.

I graduated from Maynooth University with a Bachelor of Laws degree in September 2019 and I have recently passed all eight FE-1 examinations at first attempt. I am now keen to secure a traineeship with a progressive full service law firm.

I am currently working as a Legal Intern with John Shanley Solicitors, a varied role which has provided full client exposure from the outset. Prior to commencing the FE-1 examinations in March 2020, I gained experience with M.E. Hanahoe Solicitors and I also completed the Beauchamps LLP Summer Intern Programme in the Employment & Benefits Department.

I first became aware of ByrneWallace LLP having completed a number of weeks of my Transition Year Work Experience Programme with the firm in 2013. This provided me with invaluable insight into the workings of a commercial law firm prior to pursuing a career in law.

I have always enjoyed working within a busy team environment and making a valuable contribution to the work of those around me. I believe the experience I have acquired to date, coupled with my innate drive to succeed, makes me a strong candidate.

Please find attached my CV for your kind attention. I hope that you will consider my application favourably and I look forward to hearing from you.

Yours faithfully,  
Éimhín Brazil
