Re: Summer Internship Programme 2020

Dear Sir/Ma'am,

I am writing this to express my keen interest in the role of an intern in your esteemed firm. I read about the success and continued growth of ByrneWallace and would like to introduce myself as I believe I have the requisite set of skills, qualifications, and experience necessary to make me the ideal candidate for the above post.

I am an international postgraduate student pursuing Master of Law in Intellectual Property and Information Technology from Trinity College Dublin. The said course bestows valuable insight into the multifaceted and fascinating nature of the intellectual property, cybersecurity, and privacy in action. I am an India qualified advocate, having almost three years of experience in handling legal affairs, regulatory compliance and case management pertaining to intellectual property and cybersecurity. I am seeking a challenging and rewarding role within my career and I believe that the skills that I possess, along with my knowledge and expertise, would make me an asset within your organization.

Please find attached a copy of my CV, in which I have outlined my work history, qualifications and achievements to date. I am confident that I can make a significant contribution to the future success of the firm and look forward to the opportunity of explaining how through an interview. Should you require any further information, please do not hesitate to contact me on (083) 405 2050 or by email at ashokab@tcd.ie.

I look forward to hearing from you.

Yours sincerely,
Abhigyan Ashok
