Dear Sir/Madame

I am seeking the opportunity to apply myself to the summer law internship position to capitalise on my education and to gain legal work experience.

I am currently in my third year of my LLB (Hons) Law degree course at Maynooth University. I unfortunately have no experience working within the Legal sector but my non legal work experience have honed excellent team working , communication, and interpersonal skills.

I believe I am suitable for the internship because I wish to utilise relevant skills and develop new ones for long term aspirations within the legal profession. I also believe that my enthusiasm and commitment would be hugely valuable to your organisation. I hope therefore, that on consideration of my resume , you will be persuaded of my potential. Meanwhile, I look forward to hearing from you.

Sincerely,

Aidan James Wilson
