Trainee Solicitor Programme 2023/2024

To whom it may concern,

My name is Alexandra Balog and I have graduated from Maynooth University this year and now I am doing a masters in International and European Business Law in Trinity College Dublin in order to further my knowledge in corporate law. I am applying for the Trainee Solicitor Programme 2023 as I am ready to begin my career in the legal field. I am interested in this programme as I strongly believe that I have the skills required for it, along with my previous experience in the legal field. Currently in my LLM I am doing modules such as M&A and sustainable finance and I am hopeful to contribute the skills and knowledge I am acquiring from it, to your firm. I am highly passionate about complex commercial disputes and I look forward to applying my skills in managing disputes which I have demonstrated through my success doing a dispute resolution module in my undergraduate studies. The firm's corporate group interests me as I know it is one of the core practice areas and I believe my background provides the skills needed for that. I have attached a copy of my current CV which gives more detail on my skills and experience.

Kind regards,

Alexandra
