

My name is Andrew Mc Kenna I am a recent graduate from Dublin city university with a bachelor degree in international relations. I currently have ambitions to further my study in the area of law and I am currently preparing for the FE1 examinations independently and I have sat three examinations in March of 2023 which I passed. These exams were Criminal,Property and EU law and now I have the goal to finish all of my exams by March 2024 and start my PPC in Blackhall in September of 2024. I am hoping to gain relevant experience in the legal field and hoping to start my PPC in September 2024 and I feel like your firm would be the best option for me to gain the relevant experience and for possibly doing my training contract. I have a great interest in criminal law and also other aspects such as international law and commercial law and I feel like I would like to get the relevant experience in these fields and learn from the solicitors within your firm. I am currently working as a legal intern at Clerkin Lynch LLP so I am gaining good experience here in the legal field in such aspects as commercial law and banking law and learning what procedures to follow while working in a legal office.I feel that I would be a good team member to your firm as I am hardworking, eager to learn and determined to succeed in this area. If you have anything available in your firm, I would be very happy to work and learn under the guidance of your firm. I have attached my cv below thanks for taking the time to read my application.

Kind regards

Andrew Mc Kenna
