Dear Sir/Madam:

I am a final year student in Law at Dublin Institute of Technology and i am writing to apply for a Internship. I recently learned a lot about your law firm through colleagues of mine. An internship at Lavelle Solicitors would allow me to gain practical experience in many areas of law, including corporate which is a passion of mine.

I am currently doing an Internship at Synnott Lawline Solicitors, which has allowed me to gain practical experience in the areas of Litigation, Family Law, Conveyancing and Employment Law. During my second year doing an LL.B, i worked in Centra which helped improve my interpersonal and teamwork skills.

I have enclosed my resume below highlighting my education and work experience. I hope to have the opportunity to interview with you about a traineeship in 2018. Thank you in advance for your time and consideration.

Sincerely,

Andrew Synnott.
