Dear Beth

Thank you in advance for considering my application. I am seeking to apply for the traineeship opportunity at Byrne Wallace. I am a final year student of BCL at Dublin City University.

As I am seeking a career as a solicitor, I find the trainee programme at Byrne Wallace extremely attractive. Byrne Wallace is an incredibly renowned law firm for its client focused work. I particularly like the service level Byrne Wallace provide to all their clients, I believe I could share the same values as a trainee at Byrne Wallace. As my previous background details, customer service is one of my strong points and I believe it is essential in the legal career field.

After attending the trainee open evening, I knew I wanted to apply for a place like Byrne Wallace. Each person I spoke to, in varying positions, were consistently approachable and eager to help guide me in any way they could. This guidance and sense of encouragement I received from each member will be taken on board and I very much appreciate the help that they gave me.

Once again, thank you for taking the time to consider my application. I hope to hear from you soon.

Sincerely,

Aoife Byrne
