Managing Partner,  
ByrneWallace,  
87-88 Harcourt Street,  
Dublin 2.

Dear Sir/Madam,

Please find enclosed my CV. I am a 19 year old Law student in DCU in my second year. I am currently maintaining an average of 2.1 grade and placed 21st out of 93 students and would like to be considered for the placement in your summer internship programme 2016.

I would like to apply, because of my interest in the commercial legal sphere. ByrneWallace as a firm that excels in its professionalism and expertise, always ensuring the needs of their clients are put first. The diversity of law which the firm covers, appeals to me as it would be an excellent opportunity to immerse myself in various aspects of law I am not familiar with.

With regards to my skills, I have strong communication and team work skills with an ability to also take direction as well as work on my own initiative when required. My positive and motivated attitude towards life enables me to pursue my ambitions in life, work and study. Also, I am a reliable, driven and confident individual and I believe that my key skills are transferable in this role. A role in ByrneWallace as a summer intern would enable me to further my interest in corporate law along with maintaining the firm's values and interests.

It is an ambition of mine to work in an environment such as ByrneWallace as it would propel my interest in commercial law and ignite my curiosity and passion to pursue this area of law in the future. Such an opportunity to work as an intern in a leading firm would reaffirm all my beliefs about what it is to be a solicitor. I hope you consider my application and thank you in advance for taking the time to read it..

I am looking forward to hearing from you.

Sincerely,  
Aoife Ní Dhonaile.
