Dear Sir/Madam,

I am writing to apply for the 2017 ByrneWallace Summer Intern Programme. I am currently in the third year of my four-year degree, Law with French Law, studying in University College Dublin. The current year of the degree is being spent at a leading law university in France, Université Panthéon Assas Paris 2, Sorbonne.

I am applying to ByrneWallace as I want to gain a detailed insight into the life of a full service commercial law firm as well as get the opportunity to work alongside a range of excellent legal practitioners. The programme also provides exposure to interesting and challenging legal and business issues.

I have experience working in the legal team in First Trust Global Portfolios, based in London, which distributes and manages a range of investment products. I have worked in a Banking and Conveyancing Team in O'Brien Lynam Solicitors, which acts for many leading Financial Institutions, Insolvency Practitioners, Developers and Investors. Furthermore, I took part in organising various legal conferences run by the Irish Centre for European Law.

Additionally, I have experience working in an Information and Advocacy Centre in Cairde which strives to tackle inequalities among ethnic minority communities by providing information regarding their rights and entitlements.

The chance to take part in the ByrneWallace Summer Intern Programme would be a tremendous opportunity and honour. I have enclosed my Curriculum Vitae for your review.

Thank you for your time and consideration, and I look forward to hearing from you soon.

Sincerely,

Artur Pokhilo
