Dear Sirs,

It is my wish to pursue a career in Law and I would be greatly interested in applying for the position of trainee Solicitor with Byrne Wallace.

I have recently completed a Masters in Law (LLM) at Trinity College Dublin and have been awarded an honours Degree. My primary degree was completed in Dublin City University and I received an Bachelor of Arts with Law (honours).

My Third Level education has provided me with some understanding of the nature of the legal profession and has led me to choose law as a career. I consider that I have the desire and ambition to succeed in this career choice.

I am available for interview at your convenience. Thank you for taking the time to consider my application.

Yours faithfully

Brian Hanley
